ABSENTEE BALLOTS

If you want to avoid crowds at the polls, are living out of state, in college away from home, but still want to vote in your hometown, an absentee ballot is for you! BUT to get an absentee ballot, you need to "apply" for one before Oct 20.

1. Print & fill out paper application & drop off at County Clerk's office or mail to their PO Box.
2. Request an application by calling the Clerk's office.

Important to mail ASAP.

3. Online application request at nmvote.org

****Online application is fastest way to apply.****

It is recommended to drop off your absentee ballot @ voting locations or the county clerk's office (where you are registered) due to political interference with the USPS.

Make sure your ballot matches your voter registration info exactly, or it will NOT be counted!
